ENCOURAGEMENT CHILDREN'S HOMES, KENYA & UGANDA

A Very Special Thank You. We Praise God!

Dear Partners,

I want to take a moment to share with you the results of your giving to the ministries of Encouragement Inc. in Kenya & Uganda. These donations will provide a wonderful Christmas for the staff & children at our Kenya & Uganda Children's Homes, along with some very poor children in the nearby neighborhood.

More than 800 children will receive Christmas presents of toys, food and clothing at our Children's Homes. This includes our two Kenya Emergency Youth Shelters along with the three Jesus Film Teams personnel.

Our goal needed was \$3,990 and over \$6,000 was donated. 100% of the donated funds were sent to Kenya & Uganda to bless the people even more than we had initially planned for, including donating food to a nearby neighborhood living in poverty. All of this will be done in the Name of Jesus!

Thank you and have a Merry Christmas!
