Newsletter— January 2023

Dear Friends,

I want to take a moment to sincerely thank all of our Encouragement Family of Supporters. In 2022 we have seen the hand of God using the ministry of Encouragement Inc. to bless so many people halfway around the world in Kenya and Uganda. I have often said that, “No one of us is as effective as the all of us working and giving together for a common cause.”

Also, I am constantly reminded and believe that God has a special blessing for those who help these people groups, i.e. the Poor, Lost, Orphans, and Widows. I want to thank our Board of Directors for Encouragement Inc. for their continued support and prayers. As we serve the Lord together in a spirit of humility and dependence upon Him we can rest assured He will insure that the direction, integrity and ministry objectives stay on purpose. Rescuing and providing a safe home, along with educating Orphans, is our first priority as an organization. In addition to this, operating Emergency Teen Shelters and sending Jesus Film Teams into towns and villages with the Gospel are also important parts of our ministry. It was God who started this ministry in December of 2004 when I come across 52 young orphans lying on a dirt floor, most were naked and the others were scantily dressed. I believe God spoke to my broken heart that day, with a simple nudging to, “Help these Kids.” As a Pastor little did I know what God would bring out of that simple step of faith as I committed to do what I could. The phrase “Little is much if God is in it” is so true.

Again, thanks for your sponsorship of the orphans and giving towards the Youth Shelters & Jesus Film ministries. One day in heaven we will meet many of those who were saved and given real life in Jesus because of your faithfulness and sacrifices! - Vic Rader, President

Street Shelters

The Girls in the Encouragement Shelter in Kakamega, Kenya received new dresses and other items for Christmas! We are so happy to be able to help these precious young ladies to have a safe place to receive food & shelter.

Jesus Film Teams

Dancun Omondi was in Lodwar showing the Jesus Film along with some food and water with those who are without these basic needs for survival. Many came to Christ as a result!

KATLYN'S KORNER – Christmas this year was such a wonderful time together here at Encouragement. We were able to celebrate the birth of Jesus with the kids and staff. The kids received some wonderful gifts and the smiles they had on their faces truly showed the joy they received on this special day! We also were able to have over 800 mothers & children from the community came here on Christmas eve. We gave each a nice meal, shared the gospel, and gave them a gift as they were going home. It truly was a blessed time!
