Encouragement Children's Home, Kenya

John, Katlyn & Debbie

KATLYN'S KORNER: I want to thank you all for your prayers, kind words, and support during this new and exciting time in my life. God has done above and beyond what I ever dreamed in bringing me here to Kenya and now getting married to John. We praise Him above all and we continue to look to Him for all that is to come.

The kids are finishing up their three-week break from school. We have a total of 39 being cared for through ECH, Kenya. Currently there 8 are in our college programs, 5 boarding high schools, 8 middle school, and 18 primary schools. We were so impressed that 14 of our kids IMPROVED in school and so we will be having a little chicken and fries reward soon. (In addition to the Kenya Children's Home we also support the 20+ orphans at the Encouragement Children's Home in Busia, Uganda.)

ENCOURAGEMENT TEEN SHELTERS:

It is with great acknowledgement deep from within our hearts full of thanksgiving to Rev. Vic and our Mum, Debbie, and not forgetting all the donors and friends who are tirelessly giving to touch lives of so many here in Kenya and Africa. May our Almighty God uplift you up and answer the prayers of your hearts. May He expand your territories, open doors, and fill you with Wisdom from above. – Rev. Dancun Omondi

Let's lift little Joy to God in prayer after she was rescued alive while her 19 year old mother's lifeless body was found in a pool of blood. This is the harsh realities of teens being abandoned to the rough and dangerous streets of Kenya.

– Rev. Dancun Omondi

JESUS FILM TEAMS ARE REACHING THE LOST:

Throughout many years I have been exposed to several wonderful evangelistic tools, at home and abroad. However, the most effective evangelistic tool I have found is THE JESUS FILM in the languages of the audiences. As I began ministering in several countries in Africa in 2000, my heart was captured by the effectiveness of "The Jesus Film." In 2003 I had the privilege to minister in Kenya. It was in 2010 our organization started our first Jesus Film Team. Since then our four teams have shown The Jesus Film to more than 1,149,036 with over 513,682 unsaved Africans praying to receive Jesus as Savior.
